Everyone is invited to enter these contests and the Club wishes to assure all they will have an equal chance of winning everything they go after. The more people in each event the more all will have. It is requested that the entrants for the derby race, potato race, hoop race and wheelbarrow race notify J. B. Arnold, phone 16, not later than 9 a. m. Tuesday so ample equipment can be secured for the contestants.

Elmer Deatherage will erect the bandstand for the American Legion Band. This will be built at the edge of the sidewalk on Main street in front of the court house.

Come everybody from everywhere. The Exchange Club is your host and each member has taken it upon himself to see that all will have the best time they ever had. It is all free and all are invited to come and enjoy the fun. Let's go!

Extra! A great big attraction has been added to the program at the last moment! The old fashioned Virginia reel! Something not seen in years. MADISON WINS OVER NICHOLASVILLE

But Referee Combs Allows Play In Final Period, Causing Much Dispute

Referee Combs took a well earned victory away from Madison High's football eleven at Nicholasville Friday afternoon. A ruling he made in favor of Nicholasville on an attempted forward pass was so palpably incorrect as seen by spectators within three feet of the play and attested by practically the entire Madison squad, that the Richmond players refuse to concede defeat and claim a victory by 7 to 6 the way the score stood in Madison's favor at the time the questionable ruling was made.

The play that Nicholasville's umpire said gave them the game was in the last five seconds of play. A Nicholasville back threw a high pass over the goal line, which Clouse Madison fullback blocked and prevented a catch. The ball bounced away from Clouse to Burton, of Nicholasville who missed the catch but recovered the ball as it touched the ground. He fell on the ball on the ground and claimed that he had fairly caught the pass. And the umpire allowed it notwithstanding vigorous protests by the Madison players and spectators within a few feet of the play who saw the whole proceeding. They asserted that the ball most certainly went to the ground, causing an incomplete forward pass. However the referee was adamant to the appeals and this gave a so-called victory to Nicholasville.

The Jessamine boys made the only score to which they were unquestionably entitled in the first few minutes of play. After a few plays had been run Huguey called himself to carry the ball. The pass from Capt. Allman was slightly wide and Huguey fumbled. Gregory Burton, Nicholasville's star back pounced on the ball and ran 15 yards for a touchdown. Madison broke through and blocked the goal after touchdown.

Madison seemed to play listlessly in the first half. Fumbles were numerous but not as frequent as in the Lancaster game. The boys seemed to be over-confident. However, in the second half Madison rallied and displayed a greatly improved game. In the third period mainly through end runs by Clouse and Moberly they carried the ball from the center of the field within two yards of the goal. Reeves was so anxious for a touchdown that he fumbled and it was Nicholasville ball on her two-yard line. A punt was attempted but fumbled and Hacker fell on the ball for Madison's touchdown. Clouse made the extra point with a neat place kick.

Madison then set out to hold Nicholasville safe and did so until the last few seconds of play. With the ball on their 20-yard line and 30 seconds to play in some way signals got mixed and John Ed Allman endeavored to pass the sphere instead of kicking it. The pass was intercepted by a Nicholasville player who carried the ball within 15 yards of the goal line. Here the referee gave the game to Nicholasville on the play described above.

The line-ups were: Madison—Allman rt; Hurst rg; Capt. Allman c; Boen lg; Wells lt; Gentry lb; Huguey sb; Reeves rh; Moberly lh and Clouse fb. Substitutions: Bower for Hurst; Adams for Boen; Sautley for Reeves.

Nicholasville—Simpson r c; Bronaugh rt; Hemphill rg; McCarty c; Giles lg; Watts lt; Berryman lb; Howard sb; Burton rh; Ray lh and Betts fb. Substitutions: Rife for Simpson.

Notes of the Game

Just after the first kick-off the home team completed a pass for a gain of 4h yards. Madison failed to watch Berryman, the "sleeper" who took the pass. Betts who did the punting for Nicholasville, saved his team a loss of 30 yards in the third quarter by some fast work. He intended to kick but when the center put the ball over his head, he was forced to recover it and kick on short notice. Madison should have broken it up but the ends loafed or couldn't get through. In the last quarter John Ed

63 ADDITIONS IN DISCIPLES' REVIVAL

The revival meeting at the First Christian church continues with unabated interest. Eleven more additions Friday night and a great audience that crowded the big auditorium unquestionably indicate that there is still a rising tide in the meeting. Dr. Simpson spoke on "The Supremacy of Manhood," emphasizing in a dramatic way that the building of a human life is the biggest concern of the human race. He used Pilot's inscription upon the cross for his text and from the text preached one of the most appealing sermons yet heard from the evangelist. Few preachers ever heard in Richmond, have been able to sustain as high a level of preaching and to enlist a more cordial interest than Dr. Simpson.

A duet by Mrs. Deap Squires and Miss White and the usual solo by Miss White featured the music. A great service is expected Saturday night at the close of which 12 or 15 will be baptized. There have been 63 additions to the church thus far.

Three Sunday services will be held, the Decision service in the Bible School in which the young people will be given an opportunity to become Christians; the morning preaching and communion service at 10:45 and then the closing service in the series of meetings in the evening. Many are already expressing regret that the meeting cannot continue, but Dr. Simpson will leave on the midnight train on Sunday night after the service in order to be in Monday night's engagements in Birmingham. A great day is expected Sunday.

Clark Man Buys Shelby Farm

Charles McGaughey has sold his farm containing 100 acres and improvements situated near Dover church in Shelby county, to S. H. Rutledge, of Clark county for \$125 per acre. Possession will be given January 1st.

Allman suffered a fractured shoulder, his right one. Joe Reeves injured his bad ankle again. Allman remained in the game but Reeves had to retire.

Madison made a total of six first downs to three for Nicholasville.

Charles Hacker, Madison right end, played a great game. He threw the Nicholasville backs for repeated losses and also ran fine interference. Moberly and Clouse were the most consistent ground gainers for Madison.

Umpires were charged between halves when the Madison boys protested against the umpire coaching the home team. The change didn't help Madison any at that as the decision at the end of the game shows.

A loyal bunch of rooters made the trip over with the team and they made a fine showing at the game. Cheer Leaders Harold Gabby and Pauline Ward had their bunch full of pep. Just wait till Madison hits a winning stride and you'll see the liveliest bunch of rooters outside the Harvard stadium. This was a tough one to have taken away as Madison well deserved victory.

Some Madison fans were so incensed at the umpire's ruling that they want Madison to challenge Nicholasville for another game to decide the real superiority. They suggest the game be played here or at Lexington and that the State University athletic department be requested to furnish fair and unbiased officials for the game.

Two More Speaking On Road Tax Question

Two more speaking dates have been announced for discussion of the 20-cent road tax question, which appears to be winning such favor over the county. All in those sections who are interested in the great movement to take Madison out of the mud are urged to be present. 254td

STRONG MAN ADDED TO CITIZENS' BOARD

To Handle Road Tax If Voted—Judge Goodloe Writes To Joe Hamilton

Joe D. Hamilton, one of the best known citizens of the Union City section of the county has been added to the Citizens Committee to handle the special road tax fund if voted on Nov. 7. Mr. Hamilton's integrity and sterling honesty of purpose are known to all in making the appointment Judge Goodloe wrote Mr. Hamilton as follows:

Richmond, Oct. 28, 1922.
My Dear Sir—As you know, the Fiscal Court has authorized a vote for a special road tax of 20 cents on each \$100 worth of taxable property of the county for the purpose of meeting the State-Aid on all of the state roads of the county—seven in number—branching into all parts of the county and the Court has appointed a Citizens Committee to handle the entire situation arising therefrom, and, desiring that this committee be as efficient as possible and that every part of the county have representation thereon and knowing the place you hold in the esteem and confidence of the people and your very commendable position on all moral and civic questions I am asking that you act as a member of this committee.

As you know the special tax is to provide permanently for the state roads, thereby releasing immediately the present revenue and machinery for the construction of the remaining roads of the county. It must be apparent to any thinking man what large possibilities for road improvement this move promises for Madison county. It will also be apparent that a vote for the tax will be a vote for each man's individual road because every one has to travel some part of one of the state roads to reach his county seat and because it will release progressively practically five times as much and a full equipment of machinery to build the road on which he actually lives.

Madison county is now paying \$43,000 into the state road fund and the only way to get any benefit at home is to accept the state aid on these roads.

Once in every man's life opportunity knocks and in my humble opinion that opportunity for Madison county is now knocking and if a similar proposition should come to an individual in his business, I'm sure he would readily recognize it as the opportunity of his life. Let's see our county's opportunity and help her seize it.

"Hoping that you may give your service to your county in its need and that you will meet with your committee next Friday, Nov. 3 at the State Bank & Trust Co. at 2 o'clock. I am Very respectfully
J. D. GOODLOE.

GILBERT TO SPEAK AT PAINT LICK TUESDAY

Popular Congressman Goes From Here To Garrard For Two Speech Next Week

Paint Lick, Oct. 27—After speaking at Richmond Monday night, Congressman Ralph Gilbert will talk to the voters of the Paint Lick section of both Garrard and Madison counties on the afternoon of Tuesday, October 31. He goes from here to Bryantsville for an address that night. Congressman Gilbert is a pleasing speaker and very popular with the people for his splendid record and it is expected that a big crowd will be out to hear him.

On Oct. 11, Paint Lick football team went to Richmond and defeated the Eastern Normal team by the score of 6 to 0. Eastern probably considered it an accident for they readily granted a return game and arrived in Paint Lick Saturday anxious and certain of wiping off the state. Then stock went up quickly for in the first three minutes of play on a lucky fumble from Store to the waiting arms of Maimous the latter was enabled to cross the line practically unobserved for six and the final points for Eastern, in second quarter T. Davis for Paint Lick carried the ball for a marker and drop kicked the goal. In the last quarter Hensley got away on a long run for another touchdown, and Davis again kicked goal, ending the game. Final score Paint Lick 14; Eastern 6. The Eastern boys were simply outclassed throughout the game and went back home convinced. Perhaps Davis shone brightest for Paint Lick, but the rest of his fellows ran him a close second.

The following delegates from Fair View Christian Endeavor Society attended the Ninth District C. E. Convention at Lancaster Sunday evening: Rev. T. B. Clayton, pastor; Miss Dora Scott, president of Senior C. E.; Mrs. Mack Henderson, Misses Pearl and Mattie Henderson, Nellie Scott, Sup. of Junior C. E.; Emily J. Palmer and Mrs. J. R. Anderson.
